**Notes:**

- This drawing to be read in conjunction with the relevant specification and all other relevant drawings.
- The Contractor shall check all dimensions and levels on site and shall identify discrepancies prior to commencing the works.
- All dimensions in metres unless noted otherwise.
- All levels in metres above ordnance datum unless noted otherwise.

**Legend:**

Site boundary ---

**Health and Safety Information**

In addition to the hazards normally associated with the types of work detailed on this drawing, the Contractor shall consider the following:

- Site entrance interfaces with access road to residential and commercial property
- Rapidly rising river levels in an area of high flood risk

It is assumed that all works will be carried out by a competent person working, where appropriate, to an approved safe system of work
